

Camp Invention is coming to YOU!

What is Camp Invention?

Spark your kid's creativity and build their confidence at Camp Invention®! Developed for students entering grades K-6, this program is a one-of-a-kind opportunity to introduce your child to STEM concepts through engaging, hands-on challenges. As they move through four all-new experiences, campers collaborate with friends, grow their problem-solving skills and bring their creative ideas to life.

Where/When is Central Kansas Camp Invention Available?

"As a youth growing up in Ellsworth County, I would be slightly envious of opportunities that kids in a larger city or metroplex would have during the summer months. We are excited to bring 3 opportunities to you!" - Keri Whorton, Camp Director
Central Plains Elementary School June 5-9, 2023 8:30am- 3:00 pm
Wilson Elementary School June 19- 23, 2023 8:30am- 3:00 pm
Ellsworth Elementary School July 10- 14, 2023 8:30am- 3:00 pm

What does Camp Invention cost?

The costs associated with Camp Invention is for all of the materials needed to demonstrate the concepts that they are learning plus to bring home some of their inventions. We have several options regarding the cost for the education enrichment.

- Option #1- Parents pay in full - \$260/camper (see director for multi sibling discounts)
- Option #2- Parents pay \$160/per camper (\$100 community scholarship desired)
- Option #3- Scholarship >\$100 needed (contact Camp Director for more information)
- Option #4 - FREE Tuition through the State KEEP Program (qualified applicants)

How do I register or find out more?
